CENTENARY BOOK

‘Weston Public School 1905 – 2005 A History’

ORDER FORM

The book consists of 112 pages of historical fact derived from official documents in the NSW Archives, Parents' and Citizens' Association and Mothers' Club records, newspaper articles and the memories of hundreds of former students and staff. It is an entertaining read with tales from the early days when the Weston Progress Association reported that a school was urgently needed as the children in the town were 'running wild'. Chronicled highlights include the school's progress through the war years and the depression up to the technology explosion of today. It contains an abundance of class photos with the earliest dating back to 1912. There are also photos of all the current classes.

The cost of the book, including GST, is \$20 plus \$5.00 to cover postage and handling. All proceeds go to the school.

Please complete the following and return to the school with payment. Cheques should be made payable to Weston Public School.
