# Academic Assembly Friday 8th August.

## What has been happening in 2 Delightful...

This Semester the students have been working hard on wearing our School uniform. We were rewarded for our effort by winning the uniform reward and the tidiest classroom trophy. Well done Year 2!!

We are practising to write our numbers and working on place value and the position of numbers.

2D have been learning about 3D shapes and their features

This Term in 2D we have been working hard in HSIE and learning about "The Past in the Present ." Students are working with a partner and are researching toys on the internet that were made in the 1970's. The children are amazed at how similar some of the toys are. In Maths, students have been learning about 3D shapes and Symmetry. They are having a great time experimenting with symmetry and have been busy making artworks to represent their findings. In Drama the students are busy practising their skit for their assembly performance in Week 10 .
