4/5F have been protesting history.....

...well not really, but we have been exploring how and why a Federal government was formed in Australia in 1901. The students have learnt there were many reasons why people like Sir Henry Parkes were advocating for the Australian colonies to become one nation. The students designed campaign posters using these reasons.

The students have also studied the Australian flag and have been thinking about possible design ideas should the Australian flag ever be changed. They did this by exploring symbols and icons reflective of Australian culture.
